Ag Bureau of SA **Regional Support Network**

Are you passionate about your rural community? Are you keen to maximise opportunities for locals in agriculture?

The Regional Support Network (RSN) opens up exciting new opportunities for Ag Bureau members to contribute to the key decision making of **your** organisation.

The Board is seeking six RSN members, each representing a different region of South Australia and/or with diverse agricultural interests. The role will involve only a few hours of your time each month.

Regional Support Network (RSN) members will play an integral role in enhancing the sharing of information between Bureau members and the Board, as well as with government and agencies. RSN members will be valuable advocates for the Agricultural Bureau of South Australia in their local communities

As part of the RSN you'll be required to partner with your affiliated Board member to ensure the important issues happening in your backyard are communicated directly to the Board, government and other agencies.

In return there will be some great benefits:

- Meet members – and new friends – from around SA who share your interest in agriculture and are passionate about their local regions.
- Fly the flag for the annual Spirit of Excellence Awards by encouraging local applications. You will be assisted with travel and accommodation expenses to attend the Awards dinner in Adelaide in October. A face-to-face RSN meeting with the Board will be scheduled then as well.
- Help the Ag Bureau and other like-minded organisations to become a stronger, common voice representing SA producers to influence the allocation of research funding for projects and assistance.

If this sounds like you, we'd love to hear from you. This is **your** opportunity to help **your organisation** and **your local ag community** to grow and thrive.
